

STEEL SHAFTS

A PIONEER OF PERFORMANCE STEEL SHAFTS

Shimada Golf's legacy dates back to 1930, as the first Company to manufacture steel shafts in Japan. A pioneering spirit, passion for precision, and singular focus on irons is consistent with OBAN's dedication and commitment to create the best performing golf clubs in the world.

Validated on Tour by the world's most accomplished golf professionals, the Shimada line provides a perfect complement to the high performance OBAN Steel shafts, and the popular Oi-Series graphite shafts.

OBAN is the exclusive sales agent for the full line of ultra-premium Shimada steel shafts for the North American market.

SHIMADA STEEL
